

Morningside B Neighborhood Roadway Reconstruction

March 27, 2014

Dear Resident:

You may recall that at the public hearing on Dec. 10, 2013, the City Council directed staff to solicit alternate bids to fill in missing segments of sidewalks in conjunction with Morningside B Roadway Reconstruction. The missing segments of sidewalks are located south of West 42nd Street on Scott Terrace, Alden Drive, Grimes and Crocker Avenues up to West 42nd Street. These alternate bids allowed staff to individually analyze the cost / benefit of the four sidewalk segments south of West 42nd Street.

Bids were opened on Mar. 25, 2014, and on Apr. 1, at its regular meeting, the City Council will consider the bids. Of the four sidewalk segments south of West 42nd Street, staff is recommending installation of only the Crocker Avenue sidewalk along the east side from 4219 Crocker Avenue to West 42nd Street. This is the only one that currently does not have at least one continuous sidewalk from Morningside Road to West 42nd Street and it will have minimum landscape impacts associated with construction. All approved sidewalks are funded through the Pedestrian Cyclist and Safety (PACS) Fund.

Read staff's report to the City Council online at http://edinamn.gov//index.php?section=city_council_meetings after it is posted tomorrow afternoon for complete details.

Remember, the best way to keep up with project information is "City Extra" emails. If you haven't done so already, visit the City of Edina's website at www.EdinaMN.gov and sign up.

If you have any questions, please contact me at 952-826-0318 or cmillner@EdinaMN.gov or Senior Engineering Technician Aaron Kuznia at 952-826-0444 or akuznia@EdinaMN.gov. Thank you!

Sincerely,

A handwritten signature in black ink that reads "Chad A. Millner".

Chad Millner, PE
